What is Ultimate Frisbee?

Ultimate Frisbee is a team sport played with a frisbee disc on a pitch with end zones, like American Football. Two teams compete with the aim of scoring points by catching the disc in their end zone. The sport originated in the USA and is gaining popularity worldwide. There are now university teams and club teams in almost every city in the UK. Ultimate is a unique sport because it was designed to reward and encourage fair play, and because men and women of all skill levels and athletic ability can compete together on the same team.

What is a Hat Tournament?

In a hat tournament, players enter as individuals, not as a team. The players who participate in the tournament are randomly assigned to mixed ability teams. Traditionally, their names are pulled out of a hat. This means that everyone gets to play with people they have never met before. As a result, hat tournaments have a reputation for being relaxed and social and particularly accessible to all levels of play.

The DUFFA Hat Tournament aims to be particularly welcoming to people who are new to Ultimate Frisbee.

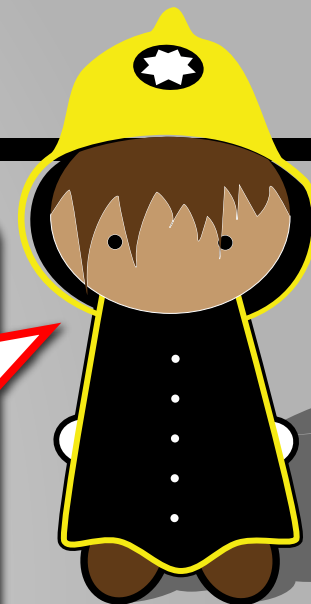

Last Year's Tournament

- Attracted 200 players from the UK and worldwide.
- Was covered by local media, including the MEN newspaper group.
- Received overwhelmingly positive feedback from participants, with several experienced players rating it among the best tournaments they had ever been to.
- Raised the profile of our club, leading to massively increased interest in this year's event.

What is Duffa?

Didsbury Ultimate Frisbee For Amateurs was founded in 2007 and is run entirely by volunteers. DUFFA is a not-for profit community sports club based in Manchester. We are a fast-growing club with over 212 members. DUFFA provides free and open access for everyone to play Ultimate Frisbee, holding regular instructional sessions for beginners, and twice-weekly casual games for anyone in the community who wants to play.

We support the community by running free training for youth groups and schools, and providing at-cost equipment to the community and voluntary sector. For example, we recently gave training and equipment to the development charity Agapao, which brought Ultimate Frisbee to impoverished rural areas of Kenya and Uganda.

This year's tournament will be bigger and better!

Why Sponsor Duffa?

As a sponsor you will be helping the local community and will raise the profile of your company. DUFFA is run entirely by volunteers on a completely non-profit basis. We do this because we love it and believe in the value of Ultimate Frisbee.

The DUFFA tournament will:

- Encourage lifelong healthy lifestyles through sport
 - Enrich and diversify the social life of the community
 - Grow the club to enable us to expand our delivery of community outreach projects in schools and youth clubs
 - Help introduce a fun, accessible, team-based sport to a wide audience of potential new players
 - Raise the profile of Greater Manchester as a hub of the British and European Frisbee communities
 - Be really, really good fun.
- Your sponsorship is vital to help us meet these goals. We run a low-cost, zero-profit tournament, so every penny will be spent to make the tournament better.**

How to Sponsor

Formats

To promote your company, we need a high quality version of your logo. Please provide an EPS/vector format, JPEG, or PDF file of at least 300dpi. Lower quality will not look as good when we print out our sponsor signs!

From our Premium package sponsors, we require a copy of an advert. Our designers can create a simple advert for you if you do not have a suitable one that can be used, provided they have plenty of notice.

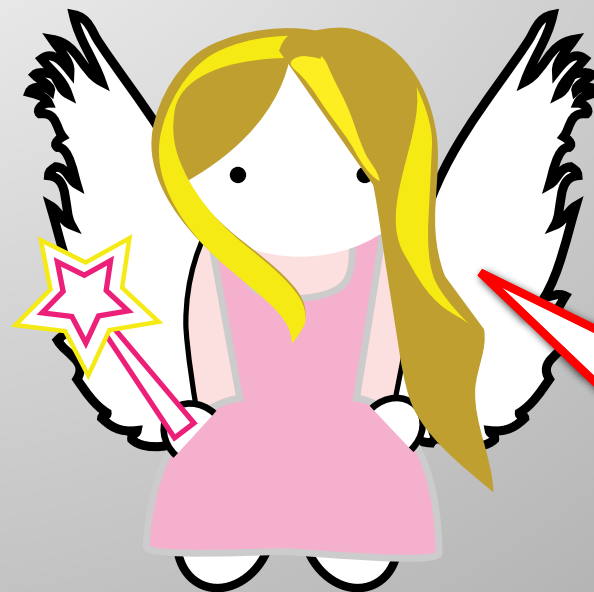

Due to lead time restrictions, the deadline to get your advert in our monthly e-newsletters is the second Friday of the month, beginning with 16th April.

Payment

Please let us know if you need us to raise an invoice for the sponsorship.

We accept cheques made payable to 'DUFFA'. Please contact us if you would prefer to use an alternative payment method. Cheques can be sent to:
